EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

On the last line of claim 4, change “;” to - - . - -

On the last line of claim 8, change “;” to - - . - -

On the last line of claim 20, change “;” to - - . - -

The following is an examiner's statement of reasons for allowance:

The closest references in this case are the patents to Cote, Bullock, Davis , Kelly, and Greenfield. Prior art does not teach a superelastic support comprising a unitary superelastic shape memory alloy for reinforcing an anatomic joint with the structure as recited in combination with a first spring link extending from the first and second tightening links, a second spring link extending from the first and second tightening links and intersecting the first spring link, an interconnect means secures the first spring link and the second spring link at the intersection.

Art Unit: 3764

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
